

Parent Advisory Meeting - Technology Workshop Night!

Our last Parent Advisory meeting will be hosted by FBI Victim Specialist, Karen Gale and will be open to any community member! It will be held in the **high school auditorium on May 4th, 6:00 - 7:30 PM.**

Do you know what your child does online? Do you wonder who your child is talking to on Facebook, texting or through Instant Messaging? Do you do not know how to have conversations with your child about online safety? Sometimes, do you think you're the only parent dealing with these issues? You're not! In today's rapidly expanding computer based society it is important to empower, educate and inform all users in every aspect of on-line life. In order to off-set dangers, minimize risk and utilize the internet, to its fullest potential, we all need to increase our knowledge of the global community we enter while on-line. The information provided throughout the NetSmartz internet safety presentations will enable students, teachers, parents and communities to navigate the internet with increased awareness in order to remain safe, identify resources and access assistance if they feel victimized while on-line. Our last Parent Advisory meeting of the year will be devoted to the topic of keeping your/our kids safe online and help parents deal with and understand the technology students are using. **Please come join us on Tuesday, May 4th, 6:00 pm,** in the HS auditorium. Please email ehmkes@roschools.com if you are attending so we make sure to have plenty of handouts.

May Events Not to Miss!

Wow! May already? The school year has flown by us and the end of the year is a month away! Even with less than 30 school days left, we have much left to do in the classroom and many events left to share with our students, parents and community. Please help us celebrate a wonderful school year by joining us as much as you can!

May 4 -Parent workshop at the high school auditorium at 6:00 pm; guest presenter is FBI Victim specialist, Karen Gale. This is a **don't miss** event!!

May 7 - Our 5th graders participate in the annual Oregon Trail day at Anderson Conservation Center. This all-day event is put on by Deb Karwal and is a memorable day for students, staff and community members from all over Montgomery county.

May 7 - Our Third Annual PTO Carnival will be held at Inman Primary from 5:00 - 8:00 pm. Carnival games, raffles baskets, and special (secret?) entertainment by your very own Mr. Barry. This evening is a great way to celebrate a wonderful school year and raise money for our PTO.

May 10 - Our 4th graders will participate in our annual Iowa History day at our local historical center. Bill Drey brings in lots of hands-on activities for our students to help them understand what it was like to be a pioneer in Iowa!

May 14 - WIS Track & Field Day. This full day event at the high school track is a day many students and staff look forward to each year. Come join us for a fun day of exercise and fun competition.

May 20 - Third grade parent orientation night will remain on May 20th and be hosted by Washington Intermediate at 6:30 pm. This night helps 4th grade parents to learn more about Washington.

May 21 - Fourth Annual Reading on the Square (11:30 am -12:30 pm) will allow any parent, grand-parent, or community member to join our students on the Square for lunch and leisure reading!

May 27 - Transition Day is **being moved to the 27th**. In the afternoon, 3rd graders will visit WIS and our 5th graders will visit the middle school. **Our 5th graders will ride the bus, walk or be picked up at the middle school!!**

May 28 - Last day of school! We will honor student work & achievement from 9:00-9:30 for our 4th graders and 9:45-10:15 for our 5th graders.
