Today, 6th, 7th & 8th grade girls interested in volleyball go to Mrs. Allison's room (107) at 1:05 regarding summer volleyball, if you will not be at school that day, please see Mrs. Allison tomorrow.

As you may have noticed, there are several baskets in the Media Center, 22 to be exact. We will be having our End of Year PBIS Celebration Drawing for these items on the last day of school. On Tuesday, May 30th, you will receive 1 ticket for every 20 PBIS points you have earned throughout the entire school year. You **MUST** put your first AND last name on the ticket, preferably with a pen, and then put tickets into the containers for the items you wish to win. For example, if you have 5 tickets, you can put all 5 tickets in the container for your favorite item or you can put them into containers for 5 separate items. All tickets must be submitted by the end of the day on Tuesday, May 30th. Students who are absent that day will receive their tickets 1st period on Wednesday (this includes band students) and will need to submit them 1st period. If tickets are not submitted by the end of 1st period, you will lose your chance for the drawing. We will have the large drawing for the big items later that day! Good luck!

Tomorrow, 2 hour early dismissal and the last day of school.
