Good News From Inman Primary

On Tuesday January 2nd, Inman and Washington Staff joined together for Professional Development. We worked together to discuss our Mission, Vision, Goals, and Collective Commitments document. Wednesday, January 17th we were together once again. This time we focused on the Building Blocks, levels 1 and 2. We worked in vertical teams to go through the steps. It is always very informative when we get to work together.

UPCOMING ACTIVITIES FOR INMAN:

JANUARY 21ST- SCIENCE TRAINING

JANUARY 15TH- FEBRUARY 9TH- FAST BRIDGE TESTING

FEBRUARY 12TH- FEBRUARY 15TH - IOWA ASSESSMENTS
