

# YOU CAN'T HIDE WASHINGTON'S TIGER PRIDE!

**Full Steam Ahead!**

We are in full swing here at WIS for the second semester and the students have picked up right where we left off.

We are just beginning our literacy screening for the winter season. Before the students began the screening we spent some time looking at the progress they made earlier in the year and setting goals for this time. Here is a picture of the 5th grade bulletin board in which each student is represented by a tiger paw. There are three bullseyes with the Fall, Winter, and Spring target scores on them as well so as the student placed his/her paw he/she could see where they were in relation to the target. The paws will be moved to show growth.
