

Happy  
New Year!

# JANUARY 2018 RED OAK SCHOOL NEWSLETTER

## Good News From Inman Primary

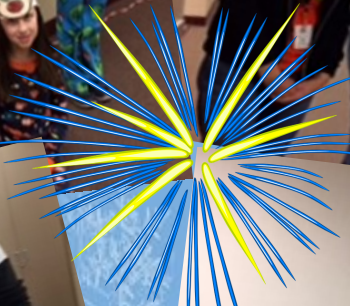

In the main hallway at Inman, you will notice a "Giving Tree". Some of our local Churches and organizations have generously donated hats, gloves, mittens, scarves and socks which have been decorated on the tree. If someone is in need of these items, they can ask for them, to help keep them warm this winter.

Holiday Hulapoolza has hit Inman Primary School. One this day, each grade level chooses a different holiday theme and plans activities around it. Kindergarteners arrived on the Polar Express. We have reindeer roaming in First Grade. Snowmen have taken over the Second Grade. The Grinch has been spotted in the Third Grade hallway. This is a great way to spread holiday cheer. It is a great day for young and old.
