Strong public schools depend on effective leadership

Invest in the future—get on board.

The Iowa Association of School Boards and Red Oak Community School District urge Iowans passionate about education to consider running in the November 5 school board election. Public schools need strong leadership and governance to ensure a bright future for all children and communities across the state.

Strong leadership is critical to moving education forward in our state. School board members play significant roles in their communities – they must have leadership, vision and dedication. They are charged with accountability for student learning, determining educational goals, setting policy, overseeing school finances and more.

School board members are elected to serve four-year terms, with elections taking place in odd-numbered years. Those elected receive no pay. Experienced school board members say the rewards of service lie in meeting the needs of children and communities.

The Red Oak Community School District Board of Directors has 2 seats up for election on November 5. Nominations for open seats can be filed between August 26 and September 19. See all key dates and deadlines at www.ia-sb.org/getonboard.

Nomination papers for school board seats are available from the board secretary. Red Oak Community School District Central Office, 1901 N Broadway Ste A, Red Oak, IA 51566 School board candidates must obtain the signatures of at least 1% of the qualified electors of the district which is **48** electors.
