**Subject:** 2 week notice

I want to first say how much I love our district. I am grateful for the time I have had with the district. However, with the changes in how we earn our pay with in the contracts, I can not continue my employment with the district. I have to think about my family and the fact that the money I would be making a month is not enough to support my children and pay bills, or to even survive on. This is absolutely one of the hardest decisions I have ever had to make but I have to do what is best for my family. This is my 2 week notice for the voluntary ending of my employment with the district.

Thank you,  
Angela Kruse

**Code No. 104**

**DISCRIMINATION AND HARASSMENT BASED ON SEX PROHIBITED**

In accordance with Title IX of the Education Amendments Act of 1972, the Red Oak Community School District prohibits sex discrimination, including sexual harassment as defined by the regulations implementing Title IX (34 C.F.R. § 106.30), against any individual participating in any education program or activity of the District. This prohibition on discrimination applies to students, employees, and applicants for employment.

The Board authorizes the Superintendent to adopt procedures for any individual to report sexual harassment to the District's Title IX Coordinator, for the provision of supportive measures to anyone who has been subjected to sexual harassment whether or not they proceed with a formal complaint under those procedures, and for the investigation and resolution of such complaints, as required by Title IX. This Title IX grievance process shall be used to respond to all complaints of sexual harassment that fall within the scope of Title IX. For complaints of sexual harassment that do not fall within the scope of Title IX, the District may still offer supportive measures to the target of such conduct and shall apply any other policy or procedure applicable to the alleged conduct.

Any individual with questions about the District's Title IX policy and procedures, or who would like to make a report or file a formal complaint of sex discrimination or sexual harassment may contact the District's designated Title Coordinator, Nate Perrien, Jr/Sr High School Principal at Red Oak Jr/Sr High School, 2011 8<sup>th</sup> St. Red Oak, IA 51566, (712) 623-6610 or [perrienn@roschools.org](mailto:perrienn@roschools.org).

Retaliation against a person who made a report or complaint of sexual harassment, assisted, or participated in any manner in an investigation or resolution of a sexual harassment report or complaint is strictly prohibited. Retaliation includes threats, coercion, discrimination, intimidation, reprisals, and/or adverse actions related to employment or education. Any individual who believed they have been retaliated against in violation of this Policy should immediately contact the District's Title IX Coordinator.

**SCHOOL BUS SEAT BELTS**

It is the goal of the Red Oak Community School District Transportation Department to provide the safest student transportation possible. Beginning in 2020-21, the District is purchasing school buses equipped with lap/shoulder seat belts. The District requires that all students riding a school district bus equipped with seat belts wear seat belts while the bus is in motion.

All students will receive instruction on the proper use of seat belts during the twice annual bus safety drills. Drivers are not responsible (i.e. liable) for students wearing seat belts while riding. Drivers are responsible for instructing students to put on seat belts prior to the bus moving.

Students who may require assistance in using seat belts should ask the bus driver for help, so that all students are safely belted in their seat before the bus is in motion. Drivers will announce prior to the bus leaving that each student needs to be in their seat with the seat belt fastened.

Students refusing to use seat belts create a safety concern for themselves and others, and are subject to school district disciplinary actions. Repeated refusal to wear seat belts can result in suspension from bus riding privileges.

All adults accompanying students as bus riders are expected to utilize the lap/shoulder seat belts, too.

### Description of Coverage

This plan provides benefits for Covered Expenses incurred for treatment of injuries resulting directly, and independently of all other causes, from a Covered Accident. The Covered Accident must occur while the student is taking part in the activity described in the Covered Activity(ies), or while traveling, via transportation provided by the school, directly to or from an activity as a member of a group supervised by the school.

### General Limitations

Benefits are payable only for Covered Losses incurred as a result of participation in Covered Activities.

**LIMITATION ON MULTIPLE COVERED ACTIVITIES:** If an Insured suffers a Covered Loss while participating in more than one Covered Activity, We will pay only one benefit, the largest benefit unless there is a specific written exception in this Policy. **LIMITATION ON MULTIPLE BENEFITS:** If an Insured can recover benefits under more than one of the Benefits stated in the Schedule, as a result of the same Accident, We will pay only one benefit, the largest benefit.

• **Accident Medical Expense Benefits**

If, as a result of a covered Injury, the Insured, requires care and treatment rendered by a doctor, the Company will pay the Usual and customary charges which are deemed medically necessary provided the first expense is incurred no later than 180 days after the date of the Covered Accident. This Benefit is payable subject to the Benefit Maximum per Covered Accident, the Deductible, and the Maximum Benefit Period shown in the Application.

The benefit amount for this benefit is payable in excess of any In Force Policy and its applicable deductible. In the event and only in the event of the reduction or exhaustion of the limit of insurance of the In Force Policy solely as the result of actual payment of benefits covered thereunder, this Policy shall pay excess of the reduced limit of insurance of the In Force Policy and its applicable deductible. This Policy shall only pay pursuant to the terms and conditions of this Policy and no other policy. We will pay the Usual and Customary amount, reduced by the payment by any other insurance plan. This Policy will recognize payment by any other insurance plan as reducing or satisfying the deductible amount of this Policy.

• **Accidental Death and Dismemberment Benefit**

If an Insured suffers a loss of life as a result of a Covered Injury, We will pay the applicable amount shown in the Schedule. The death must occur within 365 days of the Covered Injury.

• **Accidental Dismemberment Benefit**

If a Covered Injury to an Insured results in any of the following Covered Losses, We will pay the percentage shown below. The Covered Loss must occur within 365 days of the Covered Accident. The benefit amount is based on the maximum amount shown in the Schedule for the person suffering the Covered Loss.

Hello Ms. Harris:

Enclosed you will find our 2020-2021 Student Accident Insurance Renewal Information.

**Voluntary Coverage:**

Student Assurance Service's voluntary mail-back coverage will continue to be used for the 2020-21 school year. **The rates and benefits will remain the same as last year for the upcoming 2020-21 School Year.** New brochures will be sent to your district during the summer once we receive the renewal application back from you.

## The Voluntary Coverage Plan

This plan allows the School District to offer student accident insurance coverage to parents on a voluntary basis. Each student in the District is provided with plan information to take home to their parents.

- For school return enrollment form (1511), the parents are to either sign a "Waiver" indicating that they have adequate insurance, or purchase the student accident insurance by returning the enrollment form and premium to the school. (Waiver does not apply in SD)
- For mailback enrollment form (1513), the parents will mail the enrollment form and premium directly to our office.

This plan will give the School Board and Administration a method to inform parents that the District is not responsible to pay for medical expenses caused by a school injury.

## Common Questions Answered

1. The Full-Time and School-Time Coverage does not include participation in interscholastic sports for students in grades 7-12.
2. Interscholastic sports coverage must be purchased with either Full-Time Coverage or School-Time Coverage. It covers all sports injuries except football for students in the 9-12th grades. A separate one time policy year premium payment of \$250.00 is required for 9-12th grade football coverage. Football for 7th and 8th grade students is included in the Interscholastic Sports Coverage.
3. Extended Dental Coverage may be purchased separately.

## Student Attendance

### **1. Arrival and Departure Time:**

a. Entry to the building is between 7:45 A.M and 8:15 unless earlier access has been granted by a staff member. Students are to congregate in the commons, corridor and the black gymnasium based on their grade level.

b. Students will not be admitted to classrooms until 8:05 A.M. (unless otherwise requested by staff to report earlier), and must be in their seat by 8:15 A.M. If not, you will be counted tardy and must report to the office for a pass to class

c. Students are to be out of the building and off school property by 3:30 P.M. every afternoon unless you are in a school sponsored activity or with a teacher. **No supervision is provided after 3:30.**

### **2. Leaving School:**

When it is necessary for a student to leave school, the office staff must have written or verbal verification from a parent. Before a student leaves the school property, he/she **must** sign out in the office.

### **3. Attendance Regulation:**

**EVERY DAY MATTERS** - Research supports the theory that students with good class attendance will score better on standardized tests, get higher grades and be less likely to drop out. Although some students may be able to demonstrate sufficient content knowledge, our district's responsibility to educate our students and excel on standardized testing requires that we promote positive school attendance.

Students are expected to be in class and to make attendance a top priority. Only through attendance and class participation do students achieve the benefits of the education program. Participating in class discussion, developing an appreciation for the views and abilities of other students, and forming the habit of regular attendance are legitimate class objectives. Learning lost due to an absence can never be replaced. Regular attendance and being well prepared for class help students in school as well as preparing students for adulthood.

School officials realize absences occur that are completely appropriate and legitimate. *Therefore, a call from a parent or guardian is needed **each** day the student is absent. **Please call by 8:30 A.M.***

Please help us by making this phone call so there will be no misunderstanding as to the type of absence. When parents call the school to report absences, the school is assured that the child is safe.

### **Legal Obligation Regarding Attendance Regulation**

The school believes the responsibility for attendance rests with the parents and the students. We encourage those responsible to make sound educational decisions about school attendance, keeping in mind that attendance at school results in greater success. If that responsibility is not assumed by the student and parents, the school will enforce the state of Iowa mandatory attendance laws and the excessive absence regulation. Our state legislators have created a very

important law (code) that addresses student attendance in schools. Iowa Code 299.1 reads as follows:

***The parent, guardian, or legal or actual custodian of a child who is of compulsory attendance age, shall cause the child to attend school during a school year. The board of directors of a public school district shall set the number of days of required attendance for the schools under its control.***

***The board of directors of a public school may, by resolution, require attendance for the entire time when the schools are in session in any school year and adopt a policy or rules relating to the reasons considered to be valid or acceptable excuses for absence from school.***

To support this law, the directors of the Red Oak Board of Education have adopted a number of policies within the 500 Series (Policies Impacting Students) of the Red Oak Board Policy Manual. These policies, along with the rules found in this student handbook, serve to support Iowa Code 299.1. Please take the time to familiarize yourself with the rules found in this handbook. We, the administration and board of directors, have designed these rules so that all students may receive an excellent education.

It is our legal obligation to work with the County Attorney to uphold Iowa Chapter 299. Therefore, students of compulsory attendance age who exhibit attendance deficiencies will be required to attend a mandatory mediation session with our local county attorney.

**Attendance Definitions** – A student's absence will be recorded using a combination of the four following codes:

1. **Excused Absence** - The chart below identifies excused absences according to our secondary school attendance policy. However, other additional circumstances may warrant an absence to be excused.
2. **Parentally Excused Absence** – Any absence that is verified by the parent or guardian, but is not listed in the excused category below would be considered a parentally excused absence.
3. **Truancy** - Any absence that occurs without notification from the student's parent/guardian will be classified as truant. Schools must be notified within 48 hours of the absence in order for the absence not to be classified as truancy. Students will be marked truant if more than 20 minutes of class has been missed.
4. **Tardy** – Not being in your assigned classroom when class begins or up to 20 minutes late to class.

<b>Excused</b>	<b>Parentally Excused</b>
Funeral (notification required from parent before the absence occurs)	Parent call in for illness
Medical (notification from parent and documentation required from doctor's office signed by a physician within <b>2</b> days)	Family Vacation
Religious Observance (notification required from parent before the absence occurs)	Cosmetic appointments
College Visit (juniors get 1; seniors get 3)	Car problems
Field Trips/Sports/Activities	Non-school related activities
Legal (notification required from parent before the absence occurs)	Graduations
Other circumstances (administrative approval required)	Other

### **Poor Attendance Consequences & Disciplinary Procedures**

#### **Academic Make-up Time Definition**

- Academic Make-up Time (AMT) will be required for students to meet the minimum attendance requirement for class.
- AMT will be made up during professional development Wednesdays and/or Saturday School.
- If AMT is done by the end of the semester, one may be able to retain their grade. If AMT is not done by the end of the semester, the student will be required to retake the course or attend summer school for pass/fail to obtain credit.
- If AMT is skipped during the school year and/or summer school, it will count as another class missed.

#### **Tardy Discipline**

All tardy students will need to report to the office to obtain a pass to class.

- Once a student has 2 tardies, the student is on the watch list for the quarter.
- Weekly Consequences
  - 1<sup>st</sup> = Conversation with the Assistant Principal on consequences of further tardies, and parent contact
  - 2<sup>nd</sup>-3<sup>rd</sup> = Student will serve thirty minute detention, conversation with Assistant Principal on consequences of further tardies, and parent contact
  - 4<sup>th</sup> = Half Day In-School Suspension
  - 5<sup>th</sup> or greater = Full Day In-School Suspension

### Truant Discipline

- A thirty minute detention (forty-five minute detention if on block schedule) will be served for each class period a student is truant.
- If a student is truant for a full day, the student will be scheduled for AMT equal to half of the school day.
  - If AMT is skipped, AMT will double and continue to be required for course credit.
- Lunch and Seminar Truancy - If a student is marked truant for lunch or seminar, the student will be assigned detention for the first truancy, 1/2 day ISS for the second truancy, and a full day ISS for the third and subsequent truanies.
- Students who skip school during lunch or seminar will be assigned a detention for the first offense, a half day ISS for the second offense and a full day of ISS thereafter. In instances of gross student absences during lunch and seminar will lead to further disciplinary action.

### Parentally Excused Coursework Consequences

- Student/Parent Contract will be issued after 6 parentally excused absence class sessions missed.
- The student will be expected to continue attending the course.
- 8th parentally excused absence will result in letter home detailing attendance records and attendance procedures.
- 10th parentally excused absence will result in letter home detailing attendance records and attendance procedures. The student and parent/guardian will meet with the principal, school administrative manager, guidance counselor, and/or student support coordinator.
- 12 or more parentally excused classes missed will guarantee loss of credit until AMT is served.

### **Section 504 of the Rehabilitation Act of 1973 - 504 Plan**

If a student has frequent medically excused absences or verified unexcused absences due to illness, the district is advised to determine whether or not the student has a handicap or disability under the provisions of Section 504 of the Rehabilitation Act of 1973.

***\*Car riders/drivers are not excused if tardy—only late bus riders will be excused.***

***\*\*Seniors leaving school to eat lunch will be given an unexcused tardy if they are not back to school on time following their allotted lunch time. Special occasions/arrangements must be made with the principal in advance to excuse students returning to school later than the allotted time for lunch. Parents of all other students are required to inform the school if their student is going off site for lunch for a special occasion.***

### **Student Medication:**

Students must have a signed and dated parent note for school personnel to dispense medication to students. This applies to both prescription and over the counter medication. **ALL** medication must be in the original container AND must be stored in the office. Any medication in baggies or recycled containers will not be administered to students.

### **Make-up Work:**

**Collecting make-up work is the responsibility of the student.** If a student was absent, they have a two day grace period. If they miss two days, another day is added to the grace period. For every additional day absent the student gets another day (ex. Absent 3 days – 4 day grace period). If no assignment is turned in after the grace period is over, assignment will be entered as Missing.

### **Advance Absences:**

When a student knows in advance that he/she is going to be absent from school, he/she should make every effort to complete their work before the absence occurs.

Students should follow this procedure when they know in advance they are going to be absent from school:

- A. Bring a note from a parent to the office explaining the planned absence.  
(Try to do this several days prior to the absence.)
- B. The student will be given an advance assignment sheet which the student will take his/her classes to complete.

### **Attendance and Co-Curricular/Extra-Curricular Participation:**

- B. Students participating in school activities must be at school to be eligible to participate in or attend as a spectator any extra-curricular activities (games/events & practices).
- C. Students arriving to school more than 40 minutes late will NOT be allowed to participate in any extra-curricular activities unless arrangements had been previously arranged with the building principal.
- D. Students are expected to be in their classes the entire day to be eligible. Office visits (discipline, nurse, etc.) over 40 minutes will result in the ineligibility of the student to practice or perform in any extracurricular activities.
- E. When classes are missed due to participation in co-curricular/extra-curricular activities, the student is responsible to get missed assignments to their course instructor the following school day.

### **Traffic Regulations**

Driving a motor vehicle to and from school is a privilege, not a right. Permission to drive to and from school can be removed for poor driving habits in and around the schools, as reported by school staff, students and/or parents. In order to insure maximum student and vehicle safety and to prevent complaints concerning student driving and parking, several regulations need to be observed.

- 1. Students are to park in their assigned parking spot between the hours of 7:30 AM and 3:30 PM. And at no time should cars block or be a hindrance to through traffic.
- 2. Students parking in areas other than those designated for student parking between the hours of 7:30 a.m. and 4:00 p.m. will be in violation of the parking regulations.

3. Under no circumstances are students to be in a vehicle for any reason at any time during the school day without permission from the principal's office.

### **Protective Devices**

In accordance with state law, students participating in certain classes are to wear protective devices. Any student failing to comply with such requirements will be temporarily suspended from participation in said course, and the registration of a student for such course may be cancelled by the principal for willful, flagrant, or repeated failure to observe the above requirements.

### **Student Lockers**

Student lockers and desks are property of the school district. Students should use their lockers and desks assigned to them for storing their school materials and personal items necessary for their attendance at school. The school reserves the right to check any locker where there is reason to believe that it contains books or articles belonging to other students, to the school, or items which create a hazard or violate the policies of the school or any laws of the State of Iowa. It is the responsibility of each student to keep the student's assigned locker and desk clean and undamaged as periodic inspections may be scheduled.

Lockers are assigned to students and it is an expectation that all students who are assigned a locker by school administration, keep the locker secured with a school provided lock at all times. Students may not change into another locker without the permission of an administrator.

It is inappropriate to post obscene or suggestive pictures, logos or ads for substances outlawed for minors, or any other materials that are of poor taste. Such will be removed and repeat offenders will be suspended from school.

The rules and regulations also apply to physical education and athletic lockers. Only locks issued by the school may be used to secure these lockers.

### **Student Freedom of Speech**

Students shall be free to express themselves in school-sponsored publications, except for the following restrictions:

1. Students shall not publish or distribute materials that are obscene, libelous, or slanderous.
2. Students shall not publish or distribute materials which encourage students to commit unlawful acts, violate lawful school regulations, or cause material and/or substantial disruption in the orderly operation of the school. Advisors and student staff shall maintain professional standards of English and journalism when choosing which information to publish in school-sponsored publications under the supervision of a faculty advisor and principal.
3. Signs, banners, and posters may be posted with permission from the office.

**Making up courses that have been failed:** Whenever a student fails a required course, the course must be made up or retaken as soon as possible. Whenever a student fails an elective course, the particular course failed need not be made up or retaken; however, the student must be sure he or she will have enough credits to graduate. The best procedure to follow whenever a course is failed in each and every situation is for the student to visit with the counselor. No credit is given for courses failed.

**Duplicating Courses:** In most cases when a course is successfully completed it may not be retaken for credit. There are exceptions and you should review each course description. Written permission from the principal and teacher is required to duplicate any course and it should be a part of the student's 4-year plan.

### **MINIMUM SCHOOL DAY FOR HIGH SCHOOL STUDENTS**

The Board of Directors encourages all students to make maximum use of curricular offerings, supplemental resources, and all other educational facilities.

To that end, it shall be the policy of the Red Oak Community School District that all high school students are in attendance for a school day. Each student is to be enrolled in a minimum of eight courses and a seminar class per semester.

Seniors are allowed to schedule and leave campus for MOC (Multi-occupational Careers) or work experience (documentation required from workplace).

### GRADING SYSTEM

Every student will receive quarter and semester grades. The only grades maintained in the school's permanent record and used to determine class rank are those shown as final semester grades. Letter grades are used in the reporting system.

## **School Counseling Department**

The School Counseling department supports students with academic planning, career exploration, and personal social development.

The School Counselor will provide students with information that can assist them in developing plans for their future academics and careers after graduation.

The Student Support Coordinator will assist students in gaining positive personal social development.

Students are encouraged to visit with the School Counseling team.

## **SCHEDULING PARAMETERS**

Red Oak Senior High School will schedule students during the **second semester** for both semesters of the forthcoming school year. All classes are considered to be one semester in length so far as an individual student's schedule is concerned.

Teacher assignments for two semesters may vary. Students will receive a copy of their schedule in August and January.

To ensure that both parents and the guidance counselor are actively involved in the scheduling process, both parent and counselor signatures are required before a schedule is deemed "finalized."

## **SCHEDULE CHANGES**

Students needing to change their high school class schedules must sign up in the guidance office or call the counselor during the two weeks prior to the start of school in the fall and during the last week of first semester for the spring semester. Schedule changes will be done within the first 2 days of class each semester.

Schedule changes must have counselor and parent approval. It is the student's responsibility to contact his or her parents for approval.

Schedule changes may be made according to a student's 4-year plan using the following criteria:

- computer and/or clerical error
- proficiency level on Iowa Statewide Assessment of Student Progress (ISASP)
- failure in first or second semester courses
- completion of summer school courses or independent study projects
- special education placement
- seniors who need courses for graduation in their schedule
- failure to have the necessary prerequisites of a course
- wanting to simply add a course without disturbing the rest of the schedule

Changes deemed unnecessary will not be done. Examples of these include but are not limited to: (1) requesting a specific teacher for a course; and (2) requesting a specific hour for a class.

***SWCC Course Drop Date: Excluding 2nd semester of a student's senior year, students will be allowed to withdraw from one SWCC course according to SWCC's drop policy deadline, that will result in a W on the student's high school transcript. After that one withdrawal, if a course is dropped within the first two weeks of the semester it will result in a W on the student's high***

***school transcript. Courses dropped after the first two weeks will result in an F on the student's high school transcript.***

### **INDEPENDENT STUDY**

The purpose of independent study is twofold: (1) to organize student exploration of a subject area so that a student may examine an area of interest in depth and under the direction of a faculty member or a department; and (2) to resolve a schedule conflict.

#### **Plan for Independent Study:**

1. Student contacts teacher or teachers under which independent study project class will be conducted.
2. Counselor reviews the proposal, ascertains parental consent, signs the request, and sends the form to the principal for approval.

#### **Guidelines for Participation:**

1. Independent study courses are recommended only for grades 11 and 12.
2. The student and teacher advisor must have mutually agreeable free time for consultation and planning.
3. Students must complete all work on courses for credit at least one week prior to the close of the semester in which the work will be recorded.
4. All requests must be approved by the student's parent or guardian.
5. Students must complete all necessary regularly offered courses in a particular area before approval will be given for an independent study course unless this is to resolve a schedule conflict.

### **SENIOR YEAR PLUS PROGRAM**

The Senior Year Plus (SYP) Program serves as an umbrella for a variety of programs designed to provide high school students access to courses that have the potential to generate college credit. The program was enacted to promote rigorous academic pursuits and to provide a wider variety of options to all high school students. It enables ninth through twelfth grade students to enroll part-time in nonsectarian courses in eligible post-secondary institutions of higher learning in Iowa. Different programs have specific grade, competency, and application requirements as listed within the program and course descriptions. *Students enrolling in these courses must be academically prepared for the rigors of college coursework. Those taking an online course should have the self-discipline and motivation to meet deadlines and complete work independently.*

For more information on the Senior Year Plus Program visit

<https://educateiowa.gov/adult-career-and-community-college/senior-year-plus-syp>.

### **CREDIT RECOVERY**

Students have the opportunity to recover credit from a failed required course due to work completion, failed assessments, or attendance. This course will be offered by the Red Oak Alternative Program. Credit recovery will be available during the school year and in the summer.

### **Text Books**

All basic textbooks are loaned to students for their use during the school year. Workbooks and other supplies are paid for by the student. Textbooks are to be kept clean and handled carefully. Please be sure your name, grade, and school are written on the book label in case the book is misplaced. You will be required to pay for lost or damaged books.

### **Progress Reports and Report Cards**

Approximately every four weeks, either a progress report or report card will be given to the student.

### **Dropout Prevention: Seminar**

The purpose of the seminar period is to serve as an extension of and enrichment for the academic programs of Red Oak High School. Seminar period has the function to aid in the preservation of class time. Its primary use is student-centered and will include make-up work, tutoring, homework, and individualized instruction and enrichment activities. Any activity that is inappropriate during regular class time is also considered inappropriate during the seminar period.

#### Student Expectations

- A. Seminar is a time for study only.
- B. Students must:
  - 1. Receive **prior** signed approval on a seminar pass form to go to another destination during seminar time.
  - 2. Come to class prepared with work. This means that students should not be given a pass to go to their lockers. If the student has "no work," then the teacher is responsible for providing a reading topic. The laptops are not for games during Seminar.
  - 3. Remain silent throughout the entire period, unless engaged in peer tutoring with permission of the teacher.
  - 4. Remain awake.
  - 5. Make productive use of their time.
  - 6. Bring no food or drink.
  - 7. Request to use the restroom in emergency situations only.
- C. Students with **prior** signed approval may pass to:
  - 1. Another teacher for assistance during the teacher's non-prep time.
  - 2. Media center with a pass from the MC personnel.
  - 3. Guidance office.
  - 4. Designated testing center for make-up tests/quizzes.
- D. Students violating the above seminar expectation may be subject to disciplinary consequences.
- E. Honors seminar is granted to junior and seniors who have all As & Bs in all 7 classes. Student expectations of honors seminars are made by the administration.

## **Dropout Prevention: Study Table**

### **Goals:**

1. To develop a proactive study program that will encourage strong study habits for all students who are struggling academically in courses.
2. To provide an additional learning opportunity for student activities participants thus enabling them to help improve their academic standing.
3. To stress the importance of a quality education; academics come first.

### **Study Table Requirements:**

Students participating in activities and receiving a current grade of a "D" or below will be required to attend Study Table sessions in order to raise their academic standings. A student must attend 2 out of 3 sessions (see days and times) until their grade improves to a "D+" or higher. The days and times will be selected by the student. The status of the student's grade will be verified by the classroom teacher in cooperation with the Activities Department. If a student does not attend the required amount of study time within the week, they will not be allowed to participate in the next competition/event of the activity or activities that they may be involved in. Students will be expected to sign in at each session and work quietly while in attendance. Tutors may be available for students if prearranged.

Study Table Location: Red Oak High School

Monitor: Activities Director & High School Head Coaches/Sponsors

Study Table Session Times: TBD by HS Head Coaches/Sponsors

Tutors: Staff, NHS and Link Club members.

\* Students will be excused from practices during the time that they are in attendance at the Study Table. Following the session they will be expected to attend practice.

### **Academic Eligibility for extracurricular activities**

- A student must receive credit in at least 4 subjects at all times.
- A student must pass all and make adequate progress toward graduation to remain eligible.
- If a student is not passing all at the end of a final grading period, the student is ineligible for the first period of 30 consecutive calendar days in the interscholastic athletic event in which the student is a contestant. There is no requirement that the student competed in the sport previously. Students in baseball or softball have the same penalty as all other students.
- If a student is not passing all at any check point (if school checks at any time other than the end of a grading period), a period of ineligibility and conditions of reinstatement are left to the school.
- Schools must check grades at the end of each grading period; otherwise, a school determines if and how often it checks grades.
- A student with a disability and an IEP is judged based on progress made toward IEP goals.

- The ability to use summer school or other means to make up failing grades for eligibility purposes not available. The rule now also requires that all original failing grades (even those remediated for purposes other than athletic eligibility) be reported to any school to which the student transfers.

### **Semester Tests**

Semester tests will be administered the last three days of each semester in the regularly scheduled classes.

### **Incomplete Grades**

Incomplete grades are earned only because of excused absences. Generally, two weeks are allowed at the end of a semester grading period to remove a grade of incomplete. After this time the grade automatically becomes an "F" if the work is not completed, and extremely unusual circumstances are not involved. Administrative approval will be necessary to extend this time.

### **Repeating Coursework**

Whenever a student fails to obtain necessary credits in a required course the course must be made up or retaken as soon as possible. Whenever a student fails an elective course, the particular course failed need not be made up or retaken, however, the student must be sure he/she will have enough credits to graduate. The best procedure to follow whenever a course is failed in each and every situation is for the student to visit with the counselor. No credit is given for failed courses.

### **Student/Building Assistance Team**

The Student/Building Assistance teams are designed to help students and families bridge the gap between the school, community, and home. These teams may consist of the teachers who have contact with the student, the guidance counselor assigned to that grade level, the school nurse, the building principal, students and parents, Green Hills AEA resource personnel, and any community members that could be helpful, depending on the situation.

### **Duplicating Coursework**

In most cases when a course is successfully completed it may not be retaken for credit. There are exceptions and you should review each course description (Examples are studio art, pottery.) The principal and teacher's written permission to duplicate any course is required.

### **College Visitation**

Senior students will be excused three days / juniors one day for a college visitation providing the following conditions have been met:

1. The guidance office will contact the Director of Admissions at the college to be visited.
2. The student must have a statement from the Director of Admissions.
3. The student must have parental permission for visit.
4. The student must pick up "Permission for Make-up Work Before Absence" slip from the guidance office prior to visitation.
5. "Make-up slip" must have the instructor's final okay.

## **Job Shadowing**

Students will be allowed two days per year for job shadowing activities related to vocational education courses. The following process must be met for release from school for job shadowing activities:

1. Must have a scheduled visitation with a business or industry in the Red Oak Community.
2. Students must have written parental permission to visit.
3. Students must pick up "Permission for Make-Up Work before Absence" slip from the guidance office prior to visitation.
4. Students must have the permission from the vocational instructor to participate in the shadowing activities.

## **Grade Point Average**

Grade Point Average (G.P.A.) is determined by averaging the grades which students receive in their classes. A G.P.A. is calculated by multiplying the semester credits by and dividing that product by the number of credits which are included in the G.P.A. Courses excluded from the G.P.A. include: Drivers Education and all courses taken Pass-Fail/Satisfactory-Unsatisfactory basis.

Although the Red Oak Community School uses the above method of calculating G.P.A., many colleges and universities will recalculate the G.P.A. for their own purposes. Other more competitive schools may exclude all courses except the core academic areas.

### Pass-Fail Grading System and the G.P.A.

Course work may be taken on a pass-fail basis, but only with the permission of the instructor and principal PRIOR to the end of the first week of the class involved. Taking courses on a pass/fail basis may affect your GPA, ability to earn certain honors, and class rank.

## **Early Graduation**

In considering an early graduation, the student and his/her parents need to consider seriously the advantages/disadvantages of this option. There should be compelling reasons for pursuing such a course. It is recognized that a few students might better satisfy their particular needs by early completion of high school in order to pursue a career, enrollment in a post secondary school, or to become involved in some other worthwhile endeavor.

1. Application for early graduation shall be submitted to the principal no later than the last day of the fourth quarter of junior year. In extreme circumstances exceptions to the above deadlines may be made upon the recommendation of the high school principal. It is strongly recommended that all students complete four years of high school.
2. The student must earn the required number of credits for graduation from this school that are in effect at the time of application. This includes specific required courses. The eighth semester of required physical education will be waived.
3. Prior to the time an application is filed, the student and his/her parents Or guardians are required to meet with a school counselor to discuss the feasibility of early graduation. Such matters as the student's past record of scholastic achievement, attendance, attitude toward school/teachers, reason(s) for early graduation, and subjects to be pursued in earning credits need to be considered.
4. A request for early graduation is subject to the recommendation of the principal and

the approval of the board.

5. A student approved for early graduation forfeits his/her eligibility to participate in all school sponsored or sanctioned activities during the eighth semester and the following summer. This means you cannot participate in prom, class trip, or athletics.
6. Even though the student would earn a diploma before the other students in his or her graduating class, it would not be granted until graduation ceremonies at the end of the school year. The student could elect to take part or not take part in graduation ceremonies but in either case the principal would have to be notified of the decision by January 15.
7. School records would show the student as having met the requirements for graduation effective the last day of their final semester. Grade average and rank-in-class for the student would be determined and listed at the end of the seventh semester. A student graduating early will not be eligible for valedictorian or salutatorian. If needed, the principal will certify early graduation by letter to any college or post high school institution or prospective employer requiring proof of graduation.
8. Any student who has been approved for mid-year graduation will be expected to achieve passing marks in elected courses and to maintain regular school attendance. Course schedule changes will not be made to suit the convenience of the student. Course changes will not be made that will adversely affect the course/section balance.
9. Prior to his/her eighth semester, a student may reverse the decision of early graduation. The student would then be required to remain in school and enroll as a full-time student during the final eighth semester.

### **Graduation Activities and Honors**

All students who have completed all graduation requirements except those with special student status are eligible for graduation activities. Students who have completed all required credits and who have been approved for early graduation are eligible for graduation activities. Those who have completed the Board of Education's requirements for graduation will receive a diploma.

Caps and gowns are purchased at student expense in the spring.

Students will need a GPA of 3.25 to 3.66 for 8 consecutive semesters to graduate with honors and a GPA of 3.67 and above for 8 consecutive semesters to graduate with distinction. The school will round to two decimal points in determining these honors.

### **Recognition of Academic Achievement**

#### **Academic Letter**

To qualify, students must have achieved a G.P.A. of 3.25 or better two consecutive semesters in which they have earned a minimum of seven (7) credits each semester.

#### **Attendance Recognition**

Any student who has not missed a class during a semester will receive a certificate recognizing their outstanding attendance.

#### **Honor Roll**

The names of students nominated to the honor rolls are published in the Red Oak Express after each grading period during the year. The following basis is used in nominating students to the honor rolls.

To be eligible for the quarter or the semester honor roll a student must be enrolled in at least (4)

academic courses other than instrumental music, chorus, and/or P.E. Honor roll categories are 3.0 to 3.666 (honor roll) and 3.667 to 4.0 (high honor roll).

### **National Honor Society**

The National Honor Society ranks as one of the oldest and most prestigious national organizations for high school students. The purpose of this organization is to recognize enthusiasm for scholarship, service, leadership, and character. Student membership in the National Honor Society is based on achieving recognition in these four distinguishing traits. Membership is further restricted to students in the junior and senior classes who have cumulative scholastic grade averages of 3.5 for 4 consecutive semesters.

Students eligible for the Honor Society are requested to submit an application including a summary of all activities, service projects, elected offices held, and volunteer work they have participated in. The final selection of Honor Society members is determined by the number of points accumulated by each applicant based on the application. Installation of Oak Chapter National Honor Society will be in November.

### **Student Records and Transcripts**

Please report any change in your address, phone number, guardian or individual to be contacted in case of an emergency to the guidance office. Section 99.6 of the United States Department of Education and ROCSD board policy 507.1 grants certain rights and regulations in regard to student records.

1. Right to view records
2. Persons authorized to view student records.
3. Procedures for requesting to view records.
4. Right to request amendment of student record.
5. Dissemination of records.

For complete review of your child's records and who information is kept and distributed please view ROCSD board policy 507.1

If an authorized parent or student feels that their rights have been violated under policy 505.1, they may file a complaint with the Family Educational Rights and Privacy Act Office, Department of Education, 400 Maryland Ave S.W., Washington, D.C. 20202.

### **Transferring from District**

The parents of students wishing to transfer out of the district before graduation, should notify the guidance office in writing as soon as possible. The notice will be on the school's record request form. After such notice is received, the student will receive instructions regarding the return of textbooks, media center materials, locker, equipment, hot lunch, etc. No refunds will be made until all fees or fines have been paid.

# Student Behavior & Student Discipline

## Jurisdictional and Behavioral Expectations

Staff and administration feel that lessons are best learned when a classroom operates with minimal distractions. These distractions are best handled by the classroom teacher. If a student is referred to the office it is because their behavior is too offensive or persistent to be handled by the teacher. Detentions can be assigned at any time *by any* ROMS staff member. In- school suspensions and out-of-school suspensions can only be assigned by the principal.

Student misconduct not addressed in this handbook may still be a basis for discipline and conduct that is illegal, immoral, or which causes a disruption to the orderly school environment, and may result in discipline up to and including expulsion.

### Discipline Matrix

The provisions of these rules and consequences apply whenever students are involved, such as:

- School activities on property owned by the school
- Travel on school buses
- Off-site, school-sponsored activities, such as field trips
- On-site or off-site school-related problems which are the result of disruptive behavior at school
- To and from school

Cumulative offenses will result in progressive consequences.

Accumulated Offenses-Students may be expelled or placed on long-term suspension for an accumulation of offenses due to repeated violations of the Code of Behavior even though any offenses may not warrant such serious corrective action.

Offenses are designated by level of degree of severity:

**Level 1:** Classroom teachers are encouraged to handle as much of their own discipline as possible. Level 1 events can result in detention. If a detention is assigned, the teacher will contact the parent/guardian.

**Level 2:** Offenses which primarily affect only the individual student and will usually result in detention or in-school- suspension. Parents/guardians will be contacted.

**Level 3:** Serious offenses that cause a disruption to the learning environment. Disciplinary action may be detention, in-school suspension, and out-of-school suspension. Parents/guardians will be contacted.

**Level 4:** Major offenses that will receive the most severe disciplinary actions are out-of-school suspensions and/or an informal hearing which may lead to a recommendation for expulsion from Red Oak Community School. Parents/guardians will be contacted.

### **In-School Suspension Program**

#### **Student Intervention and Behavior**

Goal: To create an educational environment where students are held accountable for their actions, learn the skills and attitudes necessary to prevent misbehavior and act appropriately when they return to the regular classroom.

#### **Components**

- 1) Academics – Students will complete academic assignments while assigned to ISS to ensure continued Academic progress.
- 2) Reconnection – Students will have an opportunity to reconcile with the adult and/or student with whom they had conflict. This can be facilitated through written communication and/or a mediation session.

In-School Suspension is used to create an educational environment, where students are held accountable for their actions. In ISS, office personnel can teach the student the skills and attitudes necessary to prevent misbehavior and act appropriately when they return to the regular classroom. The parent should be notified when a student has been issued an In-School Suspension. Office personnel will review the referral, interview the students, explain the rules, and procedures. The office personnel can provide consultation through the school counselor, which enables the student to identify the underlying problem and eventually correct or improve the misbehavior.

### **Out-of-School Suspension (OSS):**

An out-of-school suspension may last no longer than 10 days. The suspension notice will be mailed home to parents and to the superintendent of schools. An OSS will bar a student from extracurricular activities during the suspension period. A parent conference is required before the student is readmitted to school. In extreme cases, a suspension may be imposed without a hearing. The hearing would follow as soon as possible. Appeals are possible. For more complete information, see Board Policy.

### **Expulsion:**

A student may be expelled from school by the Red Oak Community Board of Education for a serious violation of rules or regulation approved by the board, or when the presence of the student is considered detrimental to other students.

### **Make-up Work during Suspension:**

Students placed on in- or out-of-school suspension, short term or long term, may receive academic credit

65

if class work is made up by the time the student reports back to his/her regular classes. It is the student's responsibility to see to it that the completed assignments are turned in to his or her teachers.

### **Search & Seizure**

A student's personal effects (i.e. purse, backpack, etc.) may be searched when a school official has reasonable suspicion to believe the student is in possession of illegal or contraband items or has violated school district policies, regulations, or the law affecting school order.

Reasonable suspicion may be based upon factors such as:

1. Eyewitness observations by employees;
2. Information received from reliable sources;
3. Suspicious behavior by the student;
4. A student's past history and school record although this factor alone is not sufficient to provide the basis for reasonable suspicion.

A search will be permissible in its scope when the measures adopted are reasonably related to the objectives of the search. Reasonableness of scope will include consideration of factors such as:

1. The age of the student;
2. The sex of the student;
3. The nature of the infraction
4. The emergency required a search without delay.

Students are permitted to park on school premises as a matter of privilege, not of right. The school retains authority to conduct routine patrols of student parking lots. The interior of a student's automobile on the school premises may be searched if the school official has reasonable suspicion to believe that illegal, unauthorized or contraband items are contained inside.

School authorities may seize any illegal, unauthorized or contraband items discovered in a search. Such items include, but are not limited to, illegal drugs, alcoholic beverages, tobacco, weapons, stolen property, etc. Such items are not to be possessed by a student while they are on school district property or property within the jurisdiction of the school district, while on school owned or operated school or chartered buses, while attending or engaged in school activities, and while away from school grounds if possession of same would directly affect the good order, efficient management and welfare of the school district. Possession of such items will be grounds for disciplinary action including possible suspension or expulsion and may be reported to local law enforcement. The Board believes that such illegal, unauthorized or contraband materials cause material and substantial disruption to the school environment or present a threat to the health and safety of students, employees or visitors on school district property.

Student Lockers, Desks, etc. Student lockers, desks or other spaces issued or assigned to a student for storage of items are the property of the school district and students have no legitimate expectation of privacy in such spaces. The district may conduct random, unannounced periodic inspections of such lockers, desks and spaces. Such inspections will either occur in the presence of the students whose lockers are being inspected or in the presence of at least one other person.

School officials may also arrange for the use of drug sniffing animals in conducting inspections or searches. It is possible that law enforcement may also conduct such inspections or searches. Drug sniffing animals shall not be used by school officials to search a student's body.

The contents of a student's locker, desk or other space may be searched when a school official has reasonable suspicion that the contents contain illegal or contraband items, evidence of a violation of law or school policy or rule: If a student is not present when the student's personal effects are searched, the student will be notified prior to or as reasonably practicable after a search.

### **Due Process**

Before a student is subject to disciplinary action under the Code of Student Behavior, the following minimum steps of due process must be offered to that student.

- A. The student must have been informed of the conduct that is expected or prohibited.
- B. Prior to disciplinary action a hearing will be held with the student at which time notice is given as to what he or she is accused of doing...
- C. An opportunity should be given during the hearing for the student to present his or her side of the story.
- D. The administrator must make the decision relating to disciplinary action based upon the incidents that have been appraised from the knowledge gained.

## **Good Conduct Rule**

It is the belief of the Red Oak Red Oak Community School District that participation in school activities is a privilege. Being a part of something greater than oneself is something all students should have the opportunity to experience. School activities have a positive effect in the development of adulthood and citizenship, and all students are encouraged to participate.

Students involved in extracurricular/co-curricular activities represent the school district and are expected to serve as good role models. Students must conduct themselves in an appropriate manner that is in accordance with board policy.

### **Activities Covered Under the Good Conduct Rule**

The following activities are covered by the Good Conduct Rule: athletics, all co-curricular clubs and organizations, all honorary and elected offices, (i.e. Homecoming Court, Prom Royalty), class officer or representative, cheerleading, school dances, homecoming dance, prom night activities, or any other activity where the student represents or participates on behalf of the school outside the classroom, and the event attendance does not reflect their educational grade.

### **Violations of the Good Conduct Rule**

A student wishing to participate in activities covered under the Good Conduct Rule shall not engage in the following conduct, in school or out of school, at any time:

Possess, use or attempt to purchase items containing nicotine (cigarettes, chewing tobacco, juhls, pods, vapes, nicotine oils)

Possess, use, purchase, attempt to purchase alcohol or have presence of alcohol in body.

- Students who are faced with this situation have three choices:
  1. Leave immediately (an intention to leave is not acceptable).
  2. If picking up a friend, stay in the vehicle. Away from the possession of alcohol, drugs or nicotine products. Ask who you are picking up to enter your vehicle free of any items that would warrant a good conduct policy violation.
  3. Stay and assume the consequences listed in the penalty chart

the counter medicines, etc.

Engage in any act that would be grounds for arrest or citation in the criminal or juvenile court system, excluding minor traffic violations, regardless of whether the student was cited, arrested, convicted, or adjudicated for the act(s).

Bullying or harassment of classmates or teammates. *\*after investigation by school or law enforcement concludes responsibility of fault.*

Any items not referenced in this matrix that are considered detrimental to the well-being of ROCSD participants of extra-curricular activities.

## Determination of Violation

If a violation of the Good Conduct Rule is observed by a school employee, a school board member, or member of law enforcement it will be reported to a school administrator.

**Anonymous reports will not be accepted.** The school administrator will then conduct a meeting with the student to obtain more information before any long term penalty can be assigned. At this meeting the student shall be confronted with the allegation and the basis of the allegation. During this hearing the student will be given an opportunity to give their defense of no wrongdoing. If the student is found to have violated the school's Good Conduct Rule they will be disciplined within the parameters of the Good Conduct Rule. It will be the responsibility of the activities director or his/her designee to keep records of violations of the Good Conduct Rule.
